BCM Resources Corporation Completes Financing

Vancouver, BC - BCM Resources Corporation (TSX-V: B), the “Company” announces that the Company announces that it has closed its Nonbrokered private placement financing previously announced on August 31, 2016, and most recently updated November 17, 2017. The Company issued 11,000,000 units (“Units”) at a price of \$0.075 per unit for gross proceeds of C \$825,000. Each Unit is comprised of one common share of the Company (a “Share”) and one share purchase warrant (a “Warrant”). Each Warrant entitles the holder to purchase one common share (“Warrant Share”) of the Company at a price of \$0.15 for two years from the date of issue (Warrants expire December 05, 2019).

The Warrants are subject to an acceleration right in favor of the Company: should the closing price of the common shares of the Company on the TSX Venture Exchange, at any time following the date that is four months after the date of issue be \$0.35 or higher for 20 consecutive trading days, The Company will be entitled to accelerate the expiration of the warrants to the date that is 30 business days from the date of the issuance of a news release by the Company announcing the exercise of the acceleration right.

Finder's fees totaling C \$25,200 and 320,000 broker warrants were paid to certain finders and comprise 8% cash and 8% broker warrants, of the amount placed by those finders. Each broker warrant is exercisable into one common share of the Company at an exercise price of C \$0.15 and expires December 05, 2019 and are subject to the aforementioned acceleration right.

All Shares and Warrant Shares are subject to a four month hold period that expires on April 06, 2018. Proceeds will be used for general working capital.

The financing is subject to final approval by the TSX Venture Exchange.
